

## Year 11 Examination preparation

The current Year 11 timetable will run up to Friday 24<sup>th</sup> May. The expectation is that students attend all lessons during this period when they are not sitting examinations.

Staff will give students time to prepare for afternoon examinations using the morning lessons. For example if a Year 11 Geographer has their first paper on the afternoon of Tuesday 21<sup>st</sup> May, they could revise Geography when in their scheduled English lesson which is period 3. Some subjects do not have a written examination, in these cases the lesson time will be allocated for general student led revision for other subjects.

Some subject areas are offering revision sessions during the school day, these are listed below. We have planned these revision sessions around the scheduled examinations to provide timely support for examination preparation.

Day	Date	Period	Subject

***\*Rooms and staffing for revision sessions to be confirmed. Students will be informed of this information by their subject teachers.***

After half term we will remove the timetabled lessons for Year 11 enabling students to study independently at home or in school. We will continue to offer revision sessions during this period until the final examination. Throughout this period the VI form study room will be available for Year 11 students to use before and after school. Students will need to sign in at reception and should be in full school uniform. The details of revision sessions are as follows:
