

Welcome to the first of our transition newsletters for parents and carers of students due to transfer to us in September 2020. This newsletter will keep you informed and updated with everything you need to know. *Chris Smith, Head Teacher*

Miss Clipson

You will be very aware of the challenging circumstances that all schools are facing at the moment. We realise that changing schools can be a worrying and stressful time for students, even when everything else is normal! Therefore we want to reassure you and your son/daughter that we will be setting up lots of innovative and interesting ways to share transition activities and information with you.

Normally, as Head of Year 9, I would be coming into middle schools over the next few weeks to meet students, give an assembly and meet with middle school teachers. However, this year will be slightly different. To start our transition process, we will be leading our Welcome Assembly through a live webinar. This will be on Friday 15th May and at the following times:

**10am** - Students from **Aston Fields Middle School**

**11am** - Students from **St John's Middle School**

**12pm** - Students from **Alvechurch, Catshill and Parkside Middle Schools**, plus other schools.

Links to each webinar will be sent via email next week.

We are working on updating our transition information on the school website. This will provide links to the key information you need and provide a virtual tour of the school to help students have a 'look around' before they start with us in September.

*Miss Clipson, Head of Year Nine*

## Transition Update!

On **Thursday 7th May** we will be sending you important information about how to complete your Personal Information documents and Medical information. This will be sent to you by our [intake@southbromsgrove.worcs.sch.uk](mailto:intake@southbromsgrove.worcs.sch.uk) email address. The Personal Information Form should take approximately 10 minutes to complete. If required, please also complete the Care Plan/Medical Form. Please allow sufficient time to complete the whole of the document as there is not a facility to save the document until you click 'Submit' at the end. **The deadline for this information is Friday 15th May**

## Uniform

Our school uniform now comes with the South logo and can be purchased from **S&H School-Wear and Sports** and from **Marks & Spencer's**. A list will be sent to parents over the next few weeks and we will be discussing uniform during our Welcome Assembly Webinar.

**South Bromsgrove High Academy**
